INDIAN BIBLIOGRAPHIES BUREAU

Built over two decades of experience and expertise in bibliographical control, **Indian Books in Print** constitutes an authentic and reliable source of bibliographical information about Indian Books published in English language. It comes handy to individuals and institutions engaged in research in areas and in subjects relating to the vast subcontinent of India.

Indian Books in Print 1988, containing nearly 285,000 entries spanning through three volumes, reports on Indian books in print in English language published upto December 1987—Volume 1-Authors; Volume 2-Titles; and Volume 3-Subject Guide. The Subject Guide is classified according to the Dewey Decimal Classification with feature headings and the Directory of Indian Publishers with complete addresses also appears in this volume.

Teachers, librarians, documentalists, information officers, research scholars, professors, editors and the book trade will find it a mine of valuable bibliographical information.
